Certified by Volvo Warranty

With the Certified by Volvo Warranty, you'll get factory-backed coverage on thousands of components, systems, and operations — and many additional benefits:

- 5-year, unlimited mile warranty, upgradeable up to 10 years* covering replacement or repair of defective components within the following systems: Engine, transmission, drive axle (front and rear), steering, suspension, brakes, electrical, air conditioning
- \$0 deductible
- Warranty is transferable to subsequent owners at no cost
- The CARFAX Buyback Guarantee protects you from unknowingly buying a used car with a DMV-reported incident (salvage, fire, flood damage, odometer problems, or lemon history). CARFAX agrees to buy back the vehicle if the CARFAX Report originally stated that the vehicle had no Branded Title, but a Branded Title actually exists. Go to carfax.com to learn more.

**Calculated from the original in-service date and zero miles.*

To qualify for the Certified by Volvo program, vehicles must meet the following requirements:

- Age: Used Volvo within 5 years of its in-service date.
- Mileage: Less than 80,000 miles.
- Condition: The vehicle must be reconditioned to meet all Certified by Volvo inspection standards as outlined in the Volvo Certified Inspection Handbook.
- Vehicle History Report (VHR): Vehicle must meet stringent vehicle history requirements. Lemon law buybacks, units with frame/structural damage and/or odometer discrepancies are not eligible - please see inspection handbook for complete list of vehicle history eligibility standards. A CARFAX VHR must be processed prior to certification and made available to the customer.
- Service loaners with at least 100 miles on the odometer and demos with at least 1 mile on the odometer are eligible if they meet the above requirements.

Volvo's award-winning Certified by Volvo program offers industry-leading warranty coverage and benefits.
